

### **360 Arts are going to Disneyland Paris!!!**

360 Arts has been offered the chance to take part in a performance programme at Disneyland Paris.

- This is an opportunity for 360 children to shine on stage and a magical stage it is at that!!
- We plan to run this event in the October half term this year.
- It has been priced so the whole family can actually enjoy Disneyland Paris if they should also wish to attend.

### **DisneyLand Paris**

I think you will agree, this is an exciting opportunity for 360 Arts to perform on a globally recognised stage. If you think you may be interested in sending your child on this Disney Experience, please read on!!

### **Package Prices**

The rates in the grid below are priced per person and extended to any family member sharing a room with a child that is taking part in the performance.

- A family of 4 would look at £284 per person in a room,
- A family of 3 would look at £317 per person in a room
- (Above prices excl. return travel by Eurostar)
- See below for more information on the above packages

As we know how expensive this can be, we have decided to keep it really simple and have a flat rate for both adults and children to make it affordable for families.

### **Eligibility**

This offer is open to all **eligible** performers and their accompanying family members that are sharing a room.

- Eligible performers are those taking part in Singing & Dancing at 360 Arts.
- Those performing who have already registered are allocated a place on this trip, one room per performer.

- Each performer must bring one accompanying adult.
- There are spaces of up to a maximum of 4 people in a room and a cot (Cots require an advance request).
- If there are surplus rooms available after all the performers have signed up, then we can open it up to the 360 Arts non performers on a first come, first served basis who will be placed on a reserves list.
- If there are surplus rooms left we can open it out to a wider scope of people
- Registration will close on 1<sup>st</sup> February, we will know then how many performers and people we have on the reserves list and advise who has a guaranteed space on the trip
